

BEAR VALLEY COMMUNITY SERVICES DISTRICT

NOTICE OF ADOPTION OF RESOLUTION DECLARING A STAGE TWO WATER SHORTAGE CONDITION AND SUMMARY OF MANDATORY WATER CONSERVATION MEASURES

NOTICE IS HEREBY GIVEN that on August 14, 2014, the Board of Directors of the Bear Valley Community Services District adopted **Resolution 14/15-4**. This resolution declares the existence of a Stage Two Water Shortage Condition ("Stage Two Condition") pursuant to Bear Valley Community Services District Code Chapter 7-4, and requires District water customers to immediately follow all water conservation measures listed in District Code section 7-4-6(A) through 7-4-6(B) during the duration of the Stage Two Condition. The resolution also provides that the District's water conservation surcharge applicable to certain water rates during such Stage Two Condition will be imposed as of the start of the October billing cycle. The Stage Two Condition will continue through April 30, 2015, unless sooner terminated or extended. The conservation measures will primarily be enforced by warnings, although fines and other penalties may be imposed for serious or repeat violations.

The applicable water conservation measures for customers are as follows:

Code Section 7-4-6(A):

1. Preventing excessive water from flowing off the property served onto adjacent properties or sidewalks, gutters, surface drains, storm drains, or over land.
2. Use of drip irrigation systems or other methods designed to prevent excessive surface irrigation of landscaped areas, resulting in conditions such as puddling or runoff.
3. Immediate repair of all observable leaks of water on the customer's premises.
4. Use of a broom or a blower instead of a hose to clean driveways and paved surfaces. Use of water in washing down of driveways and other paved surfaces only when necessary to alleviate immediate fire or sanitation hazards.
5. Being careful not to leave a hose running while washing a vehicle.
6. Use of low flow shower heads and shortening the time spent in the shower.
7. Use of volume reduction devices in toilets and being careful not to use the toilet as an ashtray or wastebasket.
8. Reduction in water consumption for bathing, hand dishwashing and irrigation by reduction of flow time for these activities.
9. Running only full loads in the washing machine and dishwasher

10. Capturing cold tap water while waiting for hot water to come down the pipes, to be used later on house plants or garden.

11. Serving water to customers at the Oak Tree Country Club and Mulligan Room only upon specific request.

Code Section 7-4-6(B):

1. Lawn Watering:

a. Lawn watering and landscape irrigation is permitted only Monday through Saturday between the hours of five o'clock (5:00) P.M. and eight o'clock (8:00) A.M., local time. However, this watering is permitted at any time on these days if a handheld hose is used, equipped with a nozzle that automatically shuts off when released, or when a handheld container or a drip irrigation system is used.

b. Lawn watering and landscape irrigation is prohibited on Sundays.

2. Construction Water: Construction water for grading and compacting may be used at any time, provided the water is from a source other than the district potable water system.

3. Potable Metered Water: Potable metered water may be used for other construction between seven o'clock (7:00) A.M. and five o'clock (5:00) P.M., local time.

4. Washing Vehicles, Equipment: Washing of vehicles or other equipment is permitted only if done using a handheld bucket or a handheld hose equipped with a nozzle that automatically shuts off when released.

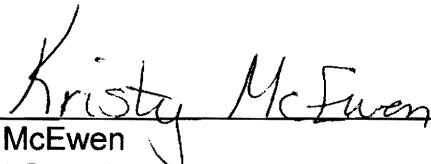

The declaration of a Stage Two Condition is necessary to comply with emergency regulations adopted by the California Water Resources Control Board.

A certified copy of the full text of Resolution 14/15-4 is available for review in the Bear Valley Community Services District Offices, located at 28999 South Lower Valley Road, Tehachapi, California 93561, and on the District's website: www.bvcasd.org.

Resolution 14/15-4 was adopted by the following vote:

AYES: Mason; LaClaire; Grace; Zanutto

ABSENT: VoVilla
